

## 2010 MASLA AWARDS PROGRAM - CALL FOR NOMINATIONS - SERVICE AWARDS

The Minnesota Chapter of the American Society of Landscape Architects invites you to nominate individuals or organizations for consideration in the 2010 MASLA Service Awards Program.

### Eligibility

Those submitting nominations must meet at least one of the following requirements:

- **Fellows** of the Minnesota Chapter of the ASLA
- **Full Members** of the Minnesota Chapter of the ASLA
- **Associate Members** of the Minnesota Chapter of the ASLA
- **Affiliate Members** of the Minnesota Chapter of the ASLA
- **Registered Landscape Architects** in the State of Minnesota

Refer to the ASLA website for a description of membership categories [www.asla.org/membership/memberservicesapp.htm](http://www.asla.org/membership/memberservicesapp.htm).

### Award Categories

- I. Community Design Excellence Award:** This award is given to a private developer, elected official or municipal employee/department—typically not a practicing Landscape Architect—who has recognized the role urban design and environmental excellence play in maintaining and enhancing the quality of life in Minnesota's towns and cities. Recipients have shown a strong commitment to the work of landscape architects, sustainable design, and place making. Examples of typical recipients include but are not limited to: a developer of a particular project, or body of projects, that enhances the built environment; an elected official who has sought to better a community through design; and a municipal employee/department who has excelled at helping shape the designed environment.
- II. Public Service Award:** The Public Service Award is generally presented to a landscape architect working in the public sector. The recipients have demonstrated service to the public through projects or advocacy. This award has also been presented to landscape architects who have been voluntarily active in projects or groups which provide a service to the public.
- III. HWS Cleveland Award:** The H.W.S. Cleveland Award is given annually to an individual trained in landscape architecture who is not yet licensed. Recipients have shown through their work and service to MASLA that they have the potential to be a leader in the profession. The intent of the award is to help offset the cost of taking the licensing exam. Recipients must be a member of MASLA.

### Selection Criteria & Recognition

The jury will evaluate nominations using the above criteria for each Award Category. In the narrative accompanying your submission, please include information relevant to the criteria above to help the MASLA Board evaluate your nomination. **ONLY NOMINATIONS ACCOMPANIED BY A COMPLETED NOMINATION FORM WILL BE CONSIDERED.**

As in years past, the submissions will be reviewed by the Executive Board of MASLA and voted on by all board members. The executive board reserves the right to not grant an award notwithstanding a nomination(s). Award-winning recipients will be publicly recognized at the 2010 MASLA Awards Banquet, and will receive an ASLA Certificate of Recognition. As space allows, award winners will also be featured in MASLA publications throughout the following year, including *\_SCAPE* and our Web site [www.masla.org](http://www.masla.org).

### Award Winners

Award winners will be notified in mid March and will be invited to the Annual Awards Banquet for recognition and appreciation. Award recipients will receive up to two complimentary tickets to the banquet.
